## STATE AID IS APPLIED FOR BY LAWRENCE CO.

### COMMISSIONERS APPOINTED TO SELL BONDS WHEN NEEDED BY ROADS.

The Lawrence Fiscal Court met last Monday and appropriated \$125,000 for road work next year on the inter-county seat roads to Morgan and Carter counties, and applied to the State for aid on these roads under the present law. This will entitle the county to \$251,662 State aid if the application under which the application is made shall be sustained.

This action is taken along the line stated in the NEWS last week as the only plan that can give us any State aid. The committee sent to Frankfort last week by the Louisa Board of Trade found maps filed and approved for 15 miles on the Blaine road and 7 miles on the Webbville road, and we now contend that the State is bound under the old law to complete these inter-county seat roads if the county will meet the requirements before July 1st. The filing of the application referred to above was required to be made before May 1st. Surveys on the remaining part of these roads must be made and approved, it seems, before July 1st. This will require very rapid work and should have immediate attention.

#### To Sell Bonds.

The court made the orders necessary to sell the bonds voted last December. The cashiers of the three banks in Lawrence county were appointed commissioners to sell the bonds. They will be issued soon, but will be sold only when needed and in amounts demanded by the road work as it progresses.

County Attorney D. L. Thompson was appointed to have the bonds printed. A portion of the funds will be loaned to the State for the Mayo Trail. If the county should need this money before the State pays it back, it is planned to use the State warrants as collateral for getting money.

#### CARD OF THANKS.

H. W. Williams, of Louisa, desires to express his thanks to the people of Louisa for coming to his assistance during his wife's sickness and death and the kind way in which they surrounded her and offered her assistance. I shall never forget this kindness nor those who so faithfully stood by us in this trying hour. May the Lord bless them all.

H. W. WILLIAMS.

## MAGOFFIN COUNTY COURT HOUSE DYNAMITED

Lexington, Ky., April 23.—Information reached Lexington today of an attempt to blow up the court house at Salyersville, Magoffin-co., by unknown persons, who, it is believed, wanted to destroy court records. Townspeople were awakened by an explosion which seemed to come from the court house, and when citizens hurried to the scene they found a hole bored in the wall of the building leading into County Judge Watson's office and an iron pipe thrust through the hole. This pipe had been filled with gunpowder and set off, but the explosion did little damage.

There were nine cases of dynamite and several kegs of powder stored in Judge Watson's office for use on the county roads, and if the dynamite had been set off it would have blown the court house to atoms and wrecked the greater part of the town. County officials are investigating.—Louisville Post.

## KENTUCKY CRUDE ADVANCED AGAIN

### PRODUCERS WILL RECEIVE \$4 A BARREL INSTEAD OF \$3.75 AS HERETOFORE.

Somerset grade crude oil, the kind chiefly produced in Eastern Kentucky, was advanced 25c a barrel to \$4 yesterday, local oil companies were advised. This makes an increase of 75c since January 1. In 1915 the same oil was bringing but \$3c a barrel. A few months ago the price was \$2.60, having been at that level nearly two years.

Barboursville, Ky.—In the extreme eastern end of the Kentucky petroleum fields there has been a rapid increase in drilling activity, gains of new production and work under way being especially noted in Lawrence and Floyd counties, where production is found in the Berea and Weir sands. The many good strikes made lately are attracting widespread attention to this deep sand district, where wells ought to be lasting.

In Floyd county, Beaver Creek section, one 10-barrel well and one 2,000, 000-foot gasser were completed last week. Near Prestonsburg Hopkins No. 1 is down 1,900 feet and still drilling. This well will be drilled through the coniferous formation and will be the deepest test in that section. The Maxton sand in this well showed a small amount of gas and oil. On Johns Creek two locations have been made by the Gaudin interests of Columbus, Ohio. These tests will be in a new direction, on leases selected by geologists.

The King Petroleum Company purchased from the Eastern Gulf Company 1,200 acres with the big gas well near the head of Bull Creek, and will proceed with further developments. A run for leases on Abbotts Creek was made when the Elkhorn Syndicate announced it would commence early operations on extensive holdings. Prestonsburg operators are shipping a standard rig to a location on Mare Pike Creek. South of Floyd county, in Pike Brode & Son are drilling at 1,400 feet in the Big Lime formation.

#### National Raises Price.

Lexington, Ky.—The National Refining Company, of Cleveland, Ohio, today sent the following telegram to J. Fred Miles, general manager of the Swiss Oil Corporation: "Effective April 23 this company will pay \$4 per barrel for Somerset crude in the Big Sink territory, delivered to our pipe line. Will you see that this price is posted."

Dr. John Sowards, prominent physician of Greenup is a nephew. She is also survived by two brothers, Rev. M. C. Reynolds and Thomas Reynolds of Coal Run. Mrs. James A. Scott of Frankfort is a niece. Mrs. Weddington was a much loved Christian lady, was devoted to her family and was in turn idolized by her husband and children. She had more than reached the goal of three score and ten. She will be deeply missed and sincerely mourned. Mrs. Weddington was an aunt of Mrs. Minnie Daniels of this city, who attended the funeral.

Mr. Frasure lost all of his household goods with the exception of a few small articles. No insurance was carried by him, and it is an entire loss. The loss of the dwelling represents about \$1,500, being partially covered by insurance. It is thought the house caught fire from a defective flu.

The afternoon meetings are being fairly well attended.

#### PUBLICITY COMMITTEE.

### YEAR WILL SET NEW ROAD MARK

#### PERMANENT SURFACE TYPE CONTRACTS TO EXCEED TOTAL OF ALL PREVIOUS YEARS.

Frankfort, Ky.—All but \$340,279.56 of available Federal aid money for the current fiscal year has been "tied up" in projects, already accepted, and Joe S. Boggs, Commissioner of Public Roads, is satisfied that before June 10, the last day, approved Federal aid projects in Kentucky will far exceed the State's apportionment for the year—\$1,221,968.44.

Completion of the Eighteenth-street Road, Jefferson county, part of the River Road and Dixie Highway, will nearly cover the remaining \$340,279.56.

By September, it is anticipated, all of the 1921-22 Federal aid funds will be "cinched." These amount to something like \$1,800,000.

The 200 miles of River Road and the Mayo Trail up Sandy Valley, approximately the same length, for which bonds have been voted, will make a deep cut into Federal aid, and there are several less ambitious projects in course of preparation.

Work now under construction or contract and projects approved will add 50 per cent to mileage of paved roads in the State and projects practically ready for letting will more than double it.

In other words, this year will see as much permanent construction in Kentucky as all previous years of its history. Not more than eighty miles of Kentucky's roads are paved.

There are now under contract for brick, Kentucky rock asphalt or concrete forty-three miles and fifty-two miles more will be let this summer. This does not include the Big Sandy project, a large part of which will be permanent surface type of construction.

## Missionary, Son of a Louisa Pastor, Here Friday

Rev. S. F. Hager, for 26 years a missionary in Japan, will be in Louisa Friday of this week and will probably speak at the M. E. Church South at 2 o'clock. He is a son of Rev. Henry Hager, who was pastor of the Louisa church about 1882 to 1885. This fact lends additional interest locally in his visit here.

## DR. POLLITT CONSIDERED.

Dr. F. S. Pollitt may be chosen as secretary of the Board of Church Extension to succeed Dr. Boaz, who will take the presidency of a college in Texas. Dr. Pollitt is now a Presiding Elder in West Virginia, M. E. Church South.

## COUNTIES AID IN STATE HIGHWAY

### FEDERAL MONEY, CLINCHED BY SUBSCRIPTION, TO BE ADDED TO ROAD FUND.

Frankfort, Ky.—Plans to construct projects sixteen and twenty-five of the State highway system of permanent surfacing material were discussed with Governor Morrow and Joe S. Boggs, Commissioner of Public Roads, by a delegation from all the counties along the route.

The persons interested in the projects, instead of trying to withdraw the \$500,000 raised for the work, are setting an example, as the Governor viewed it, by proposing to let their contributions go into construction and simply asking that the State appropriate the sum it would otherwise be required to and devote this to a more lasting type of road.

By coincidence the Federal aid project, extending from Hardyville, Hart county, on the Jackson highway, through Green, Taylor, Marion, Boyle and Garrard counties, conforms to two of the new State highway projects. The residents had raised the money necessary and were preparing to obtain Federal aid, when the new law was passed.

It then occurred to them that they were spending their money for a highway which the State eventually would build, and they learned from Commissioner Boggs that until the new law becomes operative no arrangements may be made for reimbursing counties for funds advanced for State highway projects.

Commissioner Boggs told them, however, that where local aid is forthcoming, in his opinion, the commission will be inclined to initiate the work, and he suggested the plan which met with Governor Morrow's approval.

They will certify the amount they have raised and tie up Federal aid for the project. Then when the new commission comes in they will propose that the State add to the fund sufficient to pave instead of macadamize the road, as was contemplated. By this means those counties will get for their money a first-class permanent road, and the State will get for the amount it would have to spend on the projects, had local funds not been raised, a high type of road, which will reduce the maintenance cost.

Garrard county already had voted bonds for the construction of its part of the road of Kentucky rock asphalt.

## Pure-bred Pigs For Sale

Three years ago this Bank placed a number of registered pure-bred gilt pigs with boys in Lawrence County, under the supervision of the County Agent. Then the increase each season has been placed with other boys, until the club has reached such volume that the County Agent can not give the necessary attention to all members.

It has been decided to stop the endless chain plan by selling a pig from each litter this spring. The price will be only \$16 each, which is about half what such pigs sell for in Central Kentucky. This price will pay up the expenses. The offer is first to Lawrence County people, then to Wayne County, W. Va.; then if any are left they will be sold at highest prices elsewhere. Our object is to encourage better livestock in this vicinity. We will have about 35 pigs to dispose of this spring, eligible for registration.

File your application at once and take your turn in getting the pigs. Buyers will be notified when and where to get the pigs.

### 'OH, LET'S DON'T'

PEOPLE WITH THIN, PALE BLOOD ARE LISTLESS AND WANT TO DO LITTLE.

### MORE RED BLOOD CELLS NEEDED

Take Pepto-Mangan, Famous Tonic, and say "Let's Go," instead of "Let's Don't."

When normally healthy, ambitious people begin to lack energy, and tire easily—when they are quickly discouraged and lose in vitality, it usually means their blood has grown weak. Such people are called anemic, or "run-down." Build up the blood and you build up the health and spirits. Pepto-Mangan is a pleasant-tasting red blood builder and it contains exactly the elements which poor, pale blood needs to become rich, red blood. Red blood means rosy cheeks, bright eyes, a clear brain, a firm step. Pepto-Mangan has placed thousands of people who needed building up in the full-blooded, energetic, vigorous class. It changes the "let's don't" attitude to a "let's go" attitude. Recommended by physicians for thirty years and sold all over the world.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan—Advertisement.

Dollar

THE  
ASHLAND  
CHAMBER OF  
COMMERCE  
ENDORSES  
THIS  
GIGANTIC  
DOLLAR DAY  
SALE!

Hear! Hear! Dollar Day Is Near At Hand!

Dollar  
Day

READ EVERY WORD OF THIS

The biggest cooperative sales day ever attempted by any community in this section is on the schedule for Ashland stores, throughout, Wednesday, May 5th, and the City of Ashland will see such a trade day as is seldom witnessed even during the Christmas shopping days. The committee in charge of the dollar day sale expect to see more people on the streets of Ashland than at any time since Colonel Roosevelt spoke here.

The reason that Dollar Day is going to be such a big event is that the Ashland merchants have planned for real bargains that will mean a substantial saving to the public. Merchants have offered bargains that should attract the shoppers. Articles both large and small, merchandise both expensive and inexpensive have been put on the block for Dollar Day at price reductions that will open the eyes of the general public when they investigate the offerings.

Some of the merchants are offering articles that cost considerably more than One Dollar. Others are offering shocking reductions in the regular prices of seasonable high class merchandise. Every line of business will be represented and the shoppers who follow the crowd from store to store will find Dollar Day an exceedingly profitable one for them.

You can bank on this one thing for certain, that in the majority of cases real bargains will be offered. The merchants of Ashland are going to give you more than full value for every dollar spent on Dollar Day because the object of the sale is to advertise Ashland as a shopping center worth while and the merchants are not going to fall down on this proposition on account of any selfish motive. The merchants are going to give you shoppers the treat of your lives. Don't miss it! Now that everything is so high this Dollar Day offers you an opportunity to look ahead and lay in a supply of first class merchandise for future needs.

This Dollar Day sale is an advertising plan to show to the public the value of buying from Ashland stores and the merchants are sacrificing their profits in some cases and a substantial curtailment of their profits in other cases and they are charging off the days work to advertising Ashland as the best shopping city between Cincinnati and Pittsburgh.

Dollar Day is going to be a great day for Ashland and a money saving day for the public to take advantage of the thousands of big value bargains thrown on the market to make a grand success of this gigantic dollar day sale. Shop early and often is the slogan.

### POTTER

Our farmers have spent a very busy week plowing, etc., and most all have their gardens planted. Prospects for a good fruit yield are fine. Mr. Morris Skeens was visiting Sunday in West Virginia. We are uninformed as to whether he was on Tabors Creek. Mr. Virgil Skeens went to Catalpa Sunday calling on friends. Goebel Hensley and Cecil Mullins are sojourning in Akron, Ohio. We are sorry to hear of the death of Wm. Layne. Mr. and Mrs. R. T. Hall and family have moved from his farm here to some point above Williamson, W. Va. We are sorry to lose them and are looking anxiously for their return. Miss Margie Curmittle was shopping in Louisville Friday. Henry Sturgill, of Tabors Creek, was calling on friends here Sunday. The stork visited the home of Mr. and Mrs. Ulysses Burk and left a fine boy. Miss Mayne Skeens, who has a position at Huntington, W. Va., is at home, recovering from an automobile accident which occurred recently. Mr. Albert Nikins, of Portsmouth, Ohio, passed thru here Saturday en route to her home after spending a few days with her folks on Horseford. Mrs. Julia Burke attended church at this place Sunday. Services were conducted by Rev. Carroll who delivered a very interesting sermon to a large audience. Miss Corilda Copley was at this place Friday on business. Mr. S. J. Hensley was shopping in Louisville Friday. Steve Curmittle was the Sunday afternoon guest of Miss Ida Lester. The sick of our town are improving. BROWN EYES.

### ULYSSES

There will be prayer meeting at Walnut Grove every Sunday afternoon. Chas. George and Emmitt Preston, of Van Lear, were visiting home folks Saturday and Sunday. We are sorry to hear of the death of Mrs. W. Williams, of Louisville. Mr. and Mrs. Marion Young attended church at Sandy City Saturday and Sunday. Also Mr. and Mrs. Zona Castle. Sorry to report that while Rev. G. H. Young was preaching at Sandy City Sunday his home was destroyed by fire. Also his smokehouse. Everything he had to eat. It caught from the stove at dinner time. ### "KILL-JOYS"

Constipation, Headache,  
Colds, Biliousness ended  
with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick, bilious, headachy, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. They work while you sleep.

A few drops of "Gets-It" knocks the hurt out of any corn at once and soon loosens it so it lifts right off without any feeling. Oh, what comfort! How grand to walk and dance and jump without a single twinge! Why not?  
"Gets-It," the never failing, guaranteed money-back corn remover, sold by H. Lawrence & Co., Chicago.  
Sold in Louisville and recommended as the world's best corn remedy by Louisville Drug Co.

# The Money Raising Sale

AT JAKE'S STORE  
WILL CLOSE

## Saturday, May 1st

This has been the most successful sale that I ever conducted in Louisa. The people are certainly grasping at the bargains and they are bargains—the best I ever put out. Most all the goods placed on sale are nearly sold out and new goods came in which were bought months ago, so there won't be very much change in prices. So everybody come to Jake's Store. I am here to stay and fight high prices. Remember I am against profiteering and always will be. While goods are very high in price, I will try and keep them down as much as possible but the people must help me. The more goods I sell the smaller profit I'll make and that means a saving for you. Everybody come to Jake's Store—the place where you can save your hard-earned dollars.

Friday, April 30, 1920.

The railroad strike still exists at some points and this makes operation of through traffic very difficult and unsatisfactory. The people, as usual, are the real sufferers.

Senator Capper made a strong speech against profiteers a few days ago, giving names and amounts. Let the fight be made so hot that these fellows can not stand out against it.

Sugar prices are beyond all reason, due to speculators having bought up the raw crop. If there are not laws enough to punish these profiteers who prey on the necessities of life, Congress should lose no time in enacting them.

Prestonsburg is a good town and has fine prospects, but she needs water works and paving. The town can well afford both. In fact it can not afford to do without either very much longer. The fire losses of the last few years have been more than the cost of these two necessities.

## The Mabley and Carew Co.

CINCINNATI'S GREATEST STORE. FOUNDED 1877.

### CINCINNATI is Captivating

That's what Charles Dickens said of Cincinnati when he was here many years ago. He liked it so well he came back again!

He was particularly struck with the "wonderful hospitality" of the people here.

That was many years ago, but our hospitality hasn't changed any!

You will say we are "captivating" and "wonderfully hospitable" also, after you have spent a time with us. There are many more interesting and beautiful sights to see now than there were in Dickens' time. He didn't see any Zoo, for instance, or Art Museum or Rookwood Potteries, or Union Central Building.

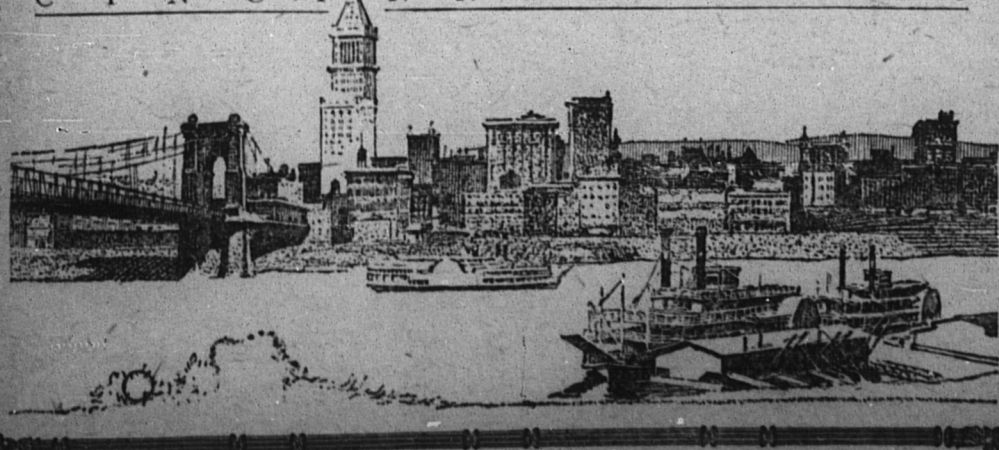

All Dickens saw and much more is waiting for you now. Come and see "Captivating Cincinnati"

### WHY FARMERS SHOULD CARRY LIFE INSURANCE

BECAUSE it is a protection.  
BECAUSE it is a good, safe investment.  
BECAUSE it is an asset in your farming life.  
BECAUSE it is an educational provision for your children.  
BECAUSE it is a provision of independence for you or your family.  
BECAUSE it is now possible to get a "don't have to die to beat it" contract.  
BECAUSE it is a money making proposition.  
BECAUSE it is a friend in need which is a friend indeed.  
BECAUSE it is easy to get when you want it WHILE YOU ARE IN GOOD HEALTH.  
BECAUSE it is a good thing to get when you don't need it so you will have it when you do need it.  
BECAUSE it is better to have it and not to need it than to need it and not have it.  
BECAUSE it may be possible for you to get it today and not tomorrow.  
BECAUSE it is a wise, up-to-date farmer who carries it, just as he carries insurance on his buildings, live stock, etc.  
BECAUSE IT IS A NECESSITY.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

### Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to take.

I suffered greatly with backache and had difficulty in passing the kidney secretions. Sometimes the kidney secretions were profuse and then again scanty and highly colored. I got Doan's Kidney Pills at the Louisa Drug Co., and they soon gave me relief."

## To the Farmers:-

The farm labor shortage has made it hard for you to compete in production with the farmers who raise wheat, oats and corn for commercial purposes. It therefore remains for you to develop something which he is neglecting. You will find this in SORGHUM. We have created a great demand for Big Sandy Sorghum. This is the year to plant cane. Sugar is short of the demand. Sweets are being used instead. It is up to you to grasp the situation and forge ahead and have something when normal times come to fall back on.

As an assistance to you we have purchased sufficient complete cane mill outfits to take care of the farmers who wish to plant cane. We are also contracting for your entire output either on market prices or we will give you on a finished contract 90 cents per gallon delivered Louisa and furnish the barrels. If you are awake to the situation come to Louisa and go into this matter with us.

We are developing an industry worthy of your support and this year we must have a great production. It is up to you to assist us in forging ahead now, creating a demand and making for you as well as ourselves a standard crop for this section which cannot be duplicated in any other.

the property on Main Cross Street into two lots, each 22 x 75 ft.

lot 55 x 77 ft. admirably adapted for a moving picture house or  
general amusement parlor. Everybody interested in getting a

## KEPT HER AWAKE

**The Terrible Pains in Back and Sides. Cardui Gave Relief.**

Marksville, La.—Mrs. Alice Johnson of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful."

I could not do anything, not even sleep at night. It kept me awake most of the night. I took different medicines, but nothing did me any good or relieved me until I took Cardui.

I was not able to do any of my work for one year and I got worse all the time. I was confined to my bed and on. I got so bad with my back that when I stooped down I was not able to straighten up again. I decided I would try Cardui. By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well. If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial.

## POULTRY PROFITS DEPEND ON HEALTHY CHICKS

Mr. Williams, a very successful Oklahoma Poultry Raiser, recently said to Dr. LeGear: "Since I have been using your Poultry Prescription, not only have I cut down Chick loss, but I find that my pullets lay a month or two earlier." ## "UNCLE TIP" AT HOLDEN.

Holden, W. Va., April 26, 1920. Editor News:—We got here to our youngest daughter's, Mrs. Mate Farley, Friday, April 16. On last Monday, the 19th, I was 80 years old, and we had a fine turkey dinner, fine large cake with candles all over and around it and ice cream and everything good, and several nice presents.

Holden is four miles above Logan court house. Population 7000 or more. It is a large mining town which is paved and has hedges on both sides of street and trees, and around every house, front and sides, about twelve feet to pavement is in grass, making a most beautiful lawn.

Mr. Percival, the manager, is a fine business man and has a nice lot of store and other workers. Our Will Crutcher is the efficient store manager and Frank Crutcher is a clerk in it. They do an immense business.

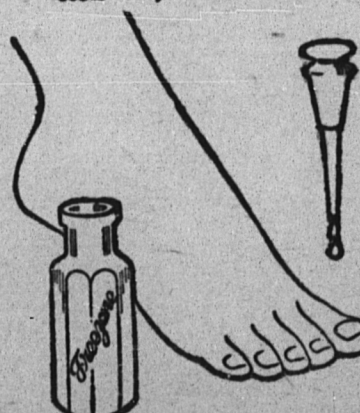

On the hill is a fine hospital with four or five doctors. Dr. Farley is at the head of the hospital.

We will be here about one month, then back to God's country—Louisa. Regards to all.

UNCLE TIP MOORE.

## Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!
